***Please note: Every day at the Capitol is different so it is difficult to pinpoint exact times. Our agenda will depend on what is going on at the Capitol on that day. The KEY to a successful day at the Capitol is FLEXIBILITY.**

There will be a lot of walking and standing so please wear comfortable shoes.

Business attire is recommended. Students are encouraged to wear their white coats at the Capitol so they can stand out.

The Capitol building is wheelchair accessible. Attendees will have to pass through a metal detector to gain entrance so the less you carry to the Capitol the better. ID’s are not required.
