

IOMS 1-A 2019 Webinar

IOMS is happy to announce the release of another webinar, **LGBTQ Healthcare and Addressing Disparities**, presented by **Alyssa Vest Hart, DO**. Dr. Hart will discuss the healthcare needs and disparities in care for LGBTQ patients. She will also go through what physicians can do in their healthcare system to decrease the disparity so you can confidently provide evidence-based, high-quality care for your LGBTQ patients.

Originally presented Saturday, December 1, 2018 as part of the IOMS Winter Scientific Seminar, this session was part of the track on "Social Determinants of Health".

Stay tuned, as IOMS will release more webinars throughout the year.
